ORDER:

In August 1948, an employee of the Anglo-Iranian Oil Co., (India) Ltd. at Bombay, attempted to obtain an Indian Passport by falsely declaring that he was an Indian subject having been born in Bangalore, while, actually he was a Portuguese subject having been born at Goa. Ltd., and the companies associated with them in which it is desired that passports should be issued without making the usual enquiries, should be accompanied by -

(i) a birth Certificate, or other documentary evidence of the applicant's place and date of birth, wherever such a document is easily available;

(ii) in other cases, a Certificate on the following lines from the company concerned:-

"Certified that to the best of my knowledge and belief the particulars furnished by the applicant in the enclosed declaration in respect of his place and date of birth are correct".

The decision of the Government of India is communicated to the Commissioner of Police, Madras, and all District Magistrates for information and guidance.
